

Data Privacy Statement

The protection of your personal data is very important to us. Therefore, we process your data exclusively based on the legal regulations (DSGVO, TKG 2003). In this data privacy statement we inform you about the most important aspects of data processing within our website.

Contact with us

If you contact us via the form on the website or by e-mail, your data will be stored for six months to process the request and in case of follow-up questions. We will not share this information without your consent.

Cookies

Our website uses so-called cookies. These are small text files that are stored on your terminal device, by means of your browser. They do not cause damage.

We use cookies to make our offer user-friendly. Some cookies remain stored on your device until you delete them. They allow us to recognize your browser on your next visit.

If you do not want this, you can set up your browser so that it informs you about the setting of cookies. You are then able to allow it only in individual cases.

Disabling cookies may limit the functionality of our website.

Newsletter

You have the opportunity to subscribe our newsletter via our website. For this purpose, we need your e-mail address and your declaration that you agree with the subscription to the newsletter.

In order to provide you with targeted information, we also collect and process information voluntarily provided such as areas of interest and your address.

You can cancel the subscription to the newsletter at any time. Please send your cancellation to the following e-mail address: office@smp-aviation.com . We will immediately delete your data in connection with the newsletter dispatch.

Your rights

Basically, you have the right to access, rectification, erasure, restriction, data portability and to object. Contact us about this. If you believe that the processing of your data contravenes data-protection law or your legal claim to protection of your data has been violated in some other way, you can complain to the supervisory authorities. The Data Protection Authority is responsible for this in Austria.
